

**European Conference on
Information Literacy (ECIL)**
Krakow, Poland
9-12 October 2023

Preliminary Program

Contribution type	Authors	Title
Best Practices	Jennifer Sandra Jacobs	Social Media and Information Literacy: Reaching Students Where They Are
Best Practices	Minna Suikka	"The Most Instagrammable Library" – How to Increase the Library's Impact on Instagram
Best Practices	Nevena Tomic	Keeping up with Open Access Publishing: Scholarly Publishing Literacy for Researchers and Librarians
Best Practices	Hannah Gascho Rempel	How do instruction librarians continue learning new concepts and skills throughout their careers? Stories and best practices from North American instruction librarians
Best Practices	Peter Becker, Jos van Helvoort	An innovative learning platform for Information Problem Solving
Best Practices	Patricia Badenhorst, Nontutuzelo Sogoni	Durban University of Technology Student Experiences with Information Literacy Through Game-Based Learning
Best Practices	Matilde Fontanin	Surfing is not enough : an information literacy course for academic students
Best Practices	Tomáš Razím, Barbora Šátková	Breaking the Vicious Circle: Mapping and Addressing Gaps in Information Literacy across the Educational Cycle
Best Practices	Riikka Sinisalo	Information literacy workshops from on-site to online – lessons learned
Best Practices	Juliane Stiller, Violeta Trkulja, Anna-Julia Danisch	Shaping online digital literacy training for people with low digital skills
Best Practices	Tuija Korhonen, Katri Larmo, Tiina Heino	Data Literacy for Master Level in University of Helsinki
Best Practices	Riikka Sinisalo, Essi Prykäri	Paving the way for graduate students information literacy skills
Best Practices	Liv Inger Lamøy, Astrid Kilvik	The academic library service desk as a pedagogical tool
Best Practices	Andrew Denis Beman-Cavallaro	Transfer Students, Transferring Skills: Continuing Library Information Literacy Among Students From College to University Environments
Best Practices	Jurgita Rudžionienė	"Name it to Tame it": IREX for Media Literacy in Lithuania
Best Practices	Jane Secker	The Impact of Teaching Digital Literacies and Open Practices
Best Practices	Monique Schoutsen	ENOEL: the introduction of a European Open Education group

Best Practices	Heidi Janina Troberg, Pia-Maria Niemitalo	Innovative information literacy support for academic students — we got their backs
Best Practices	Kristyna Paulova	Media Literacy Interactively and for All
Best Practices	Ika Jorum	Embedding equality in education - a collaborative project
Best Practices	Mariya Gyendina	What do first-year students want to know: Analysis of anonymous questions in a first-year writing course
Best Practices	Fabian Franke	IL governance – how the teaching of information literacy is organized in university libraries in Germany
Best Practices	Dr Ola Mohamad El Zein	How can libraries improve information, digital and health literacies as well as advance community engagement in a low-income country?
Best Practices	Harrie van der Meer, Puck Wildschut	Taking digital literacy further through sharing and reuse
Best Practices	Harrie van der Meer, Johanna Krijnsen	Towards a Dutch open badge Information Literacy
Doctoral Forum	Saira Soroya, Muhammad Shahid Soroya	Understanding Internet & Social Media Exposure, Health Anxiety, Literacy, and Information Seeking as Determinants of Self-Care Behavior: Neural Network Analysis Approach
Doctoral Forum	Laura Woods	Information worlds of women engineering students
Doctoral Forum	Andrew John Feeney	'New Clicks' - developing user-led digital literacies in older adults within Scottish public libraries
Panel	Joumana Boustany, Laura Saunders	Library Instruction for Mis/Disinformation: French and U.S. Perspectives
Panel	Clarence Maybee, Bill Johnston, Karen Kaufmann, Sheila Webber	Recognizing the Discipline of Information Literacy: Implications for Research and Practice
Panel	Dora Sales, Serap Kurbanoglu, Petros Kostagiolas, Konstantina Martzoukou, Stéphane Goldstein, Sarah Pavey, Noora Hirvonen, Buket Akkoyunlu, Murat Saran, Anna Antoniazzi, Mara Morelli, İpek Şencan	Information and digital literacy for primary education. Diagnosis of needs and challenges
Panel	Emily Zekan Brown, Laura Hogan, Susan Souza-Mort	Building Knowledge Across the Curriculum: Utilizing the Learning Community Model to Maximize Relevant Information Literacy Instruction
Paper	Brenda Van Wyk	A Picture Paints a Thousand Words, Digital Media Makes For A Lived Experience
Paper	Carine Aillerie, Gilles Sahut	Information literacy at school: what post-pandemic uses of online video by primary school teachers in France?

Paper	Nihal Menzi Çetin	A Bibliographic Mapping Study: Concepts and Their Relationships in Information Literacy before and after COVID 19 Pandemic
Paper	Tatiana Sanches	Public libraries fighting disinformation: an analysis of knowledge, resources, and actions of Portuguese librarians
Paper	Zuza Wiorogórska	Project Management Literacy for Librarians and Information Professionals. New Challenges in the European Union and Beyond
Paper	Diane Mizrachi	The Impact of COVID-19 on Students' Academic Reading Format Attitudes and Behaviors
Paper	Ane Landøy, Henry Langseth, Mariann Cecilie Løkse	Supporting students' digital literacy
Paper	Amanda L. Folk, Katie Blocksidge, Jane Hammons, Hanna Primeau	Bridging Skills and Thresholds: Exploring Instructors' Definitions of Information Literacy Using Bloom's Revised Taxonomy
Paper	Amanda L. Folk, Jane Hammons, Katie Blocksidge, Hanna Primeau	Instructors' Perceptions of an Information Literacy-Centered Professional Development Workshop
Paper	Małgorzata Kisilowska-Szurmińska	Information overload as a burden and a challenge. What can we learn for information literacy?
Paper	Pavla Vizváry	"Who Cares?" Defining Citation Style in Scholarly Journals
Paper	Jean-Pierre V. M. Hérubel, Clarence Maybee	Teaching Students to Navigate Externalist and Internalist Approaches in the History of Science
Paper	René Schneider	Telling data stories, the way Averroes wrote his commentaries – A three-level approach to facilitate data-driven decision making
Paper	Magdalena Paul, Marek Deja	Information literacy of Polish Ph.D. students: the learning outcomes approach
Paper	Yolande Maury	Walking, Meeting Things, Tinkering with Objects and Materials, Being with Information: Some Experiences in Information Culture
Paper	Ghazala Imran	Measuring The Influence of Teachers' Health Information Literacy Skills on Their Psychological Distress During Covid-19
Paper	Marek Nahotko	Maturity model as the tool for information/data literacy assessment
Paper	Jela Steinerová	Information Literacy as an Ethical Experience
Paper	Dijana Šobota	The Delphi Method in Information Literacy Research
Paper	Albert Kulla	Information Literacy as the Basis for Design of ESP Classroom Material at Technical Universities
Paper	Glória Bastos	Media and Information literacy in Portuguese school libraries: a longitudinal study with elementary school students
Paper	Tatiana Sanches	Perceptions of LIS professionals on ACRL framework: understanding and fostering concepts, skills and attitudes in academic students

Paper	Maureen Constance Henninger	Algorithms, Digital Literacies and Democratic Practices: Perceptions of Academic Librarians
Paper	Luca Botturi	Visualizing Online Search Processes for Information Literacy Education
Paper	Yelizaveta Kamilova	Social project of MIL knowledge improvement among academic and school librarians in Kazakhstan
Paper	Elena Ignatova Savova	The Role of Contemporary Educational Technologies and Programs in Developing Information Literacy of “University 4.0”
Paper	Athina Evagorou, Maria Kyprianou	New Information Literacy Skills for Instructor Librarians in Higher Education
Paper	Pamela Ann McKinney	The information literacy practices of LGBTQ+ students’ self-tracking: attitudes to data collection, data privacy and data sharing
Paper	Onyinye Chiweta-Oduah	Experiencing health literacy in developing economies: insights from rural Nigeria
Paper	Christian Bourret	Information Literacy as a Key Challenge to improve Social Protection in France through new uses of collaborative information
Paper	Tereza Trencheva	Copyright Awareness among Future Media Specialists: Survey Results in Bulgaria
Paper	Ivana Martinović	Information literacy skills of children in the early school years
Paper	Krista Lepik	Students' perceptions of using artificial intelligence in written assignments – is information literacy still needed?
Paper	Ágústa Pálsdóttir	Changes in Older Adult’s Attitudes and Use of Information and Communication Technology from 2019 to 2022
Paper	Maria Henkel, Armin Jacob	What Shapes Our Trust in Scientific Information? A Review of Factors Influencing Perceived Scientificity and Credibility
Paper	Marek Deja	Digital literacy training and workplace empowerment: What happens after graduation?
Paper	Sheila Webber, Bill Johnston	The Age-Friendly Media and Information Literate City post Covid19
Paper	Sara Ahlryd	Information literacy practices of hospital librarians in an era of evidence-based medicine
Paper	Tayo Nagasawa	Collaboration between academics and librarians at Aalto University following library reorganisation in 2018
Paper	Zachary Newell	Grounding a Theory on Creative Pedagogy in Information Literacy
Paper	Marina Milosheva	Information Literacy Impact Framework
Paper	Zlatko Vidačković	Correlation between film criticism, social issues and student audience reception
Paper	Glória Bastos	Digital and Media Literacy: voices of the teachers. Dilemmas during the pandemic and reflections for the future
Paper	Theo JD Bothma	Dictionary literacy, information literacy, and information behaviour in the e-environment
Paper	Béatrice Micheau	Information and digital literacies as written culture : the case of a digital creative writing device

Paper	Heidi Enwald	"A personal doctor will not be replaced by any robot service!" - Older adults' experiences with personal health information and eHealth services
Paper	Łukasz Iwasiński, Magdalena Krawczyk	Algorithmic Literacy of Polish Students in Social Sciences and Humanities
Paper	Jose Teixeira	How students seek information in the context of fitness and physical exercise
Paper	Danica Dolničar	Undergraduate students' information literacy in relation to their ICT proficiency and psychological characteristics
Paper	Rubén F. Martínez-Rocha, Jesus Lau, Juan Carlos Marcos-Recio	Information Culture: An Assessment of CETYS University Strategy (2010-2020)
Paper	Sheila Webber	The Relationship between game literacy and information literacy
Paper	Michaela Dombrovská	Information behavior of Czech and Slovak students during the COVID-19 pandemic: Silesian University in Opava and Comenius University in Bratislava comparative study
Paper	Ivana Ogrizek Biškupić	Improving STEM competences by using artificial intelligence to generate video games based on student written stories
Paper	Michaela Dombrovská	Information Audit as an Inspiration for Information Literacy in Digital Age
Paper	Hermina G.B. Anghelescu	Alarming Literacy Rates in One of America's Largest Cities: What Can Be Done in the City of Detroit?
Paper	Radovan Vrana	Data literacy in public libraries in Croatia: an empirical study
Paper	Pavla Vizváry	Teaching healthcare students to deal with information sources: implementing the HUMAN framework
Paper	Konstantina Martzoukou, Evi Tramantza	'Maddie is Online': embedding creative audio-visual resources to the teaching of information literacy in an elementary school in Greece
Paper	Dorota Rak	Information Literacy in the Design Thinking process - a preliminary research
Paper	Polona Vilar	Introducing and verifying the Model of Quality School Library (MQSL)
Paper	Heidi Enwald	Abilities needed for evaluation and use of open data sources in urban planning processes
Paper	Angela Repanovici	Research regarding using Problem-Based-Learning in teaching
Paper	Paloma Korycińska	Exploring information needs of a Polish academic law library users
Paper	Michael Ryne Flierl	Artificial Intelligence, Information Literacy, and Mis-/Dis-Information
Paper	Paloma Korycińska	LIS students' receptivity to the concept of turquoise organization
Paper	Denis Kos	Information Experience of Emerging LIS Professionals during the COVID-19 Pandemic: a Grounded Theory Study based on Analysis of Student-created Media
Paper	Marko Kos	Animal Ethics and Information Scientists: Does their information literacy include moral reflection?
Paper	Paloma Korycińska	Information mourning in retired faculty members

Paper	Karolina Brylska	Who are physicians talking to on social media? Data literacy and visual literacy of the assumed audience(s) of COVID-19 vaccination posts
Paper	Ellen Nierenberg	Understanding the development of information literacy in higher education
Paper	Matthias Otto Rath	To Find the "Rotten Apple" – Information Ethical Requirements for the Information Literacy of Autonomous Writing Engines
Paper	Ana Novo	Challenges to information literacy online learning in Higher Education: libraries, archives and museums digital strategic convergence
Paper	Tuulikki Alamettälä	Developing online research skills in a lower secondary school: The viewpoint of students
Paper	Santa Dargé	Information Horizons of Undergraduate students: Assessing Health Information Channels During Post-Pandemic
Paper	Janice De Castro Peñafior	Clicks, Queries, and Searches: Uncovering User Behavior through Transaction Log Analysis
Paper	Heather Freas Adair, Ashley B. Crane, Elizabeth Gross	Early-Career School Librarians' Use of Information Literacy Skills to Master their Information Needs
Paper	David A. Hurley	Using early responses to Wikipedia and Google to consider ChatGPT
Paper	Hanna Onkovych	Comparative studies of the educational opportunities of professional pages on the facebook network
Paper	Barbara McNeil	Fearing for Their Lives: Implications of Children and Youth as Generators of Informational Texts and Literacy
PechaKucha	Rebecca Hastie	Incorporating the SIFT method into one-shot library instruction workshops
PechaKucha	Hamed Mohamed Al Azri	Information Literacy in the Omani Government Companies and its Impact on Employees' Creativity
PechaKucha	Christopher Vance Hollister	Aligning the Values of Information Literacy and Scholarly Publishing
PechaKucha	Marina Encheva	Digital fluency: students' perceptions and participation in designing the curriculum in Bulgaria, Finland and Italy
PechaKucha	Svetoslava Borislavova Dimitrova	Generation Z and the Collision with Intellectual Property Literacy as part of Information Literacy
PechaKucha	Gita Rozenberga	Promoting the Information Literacy: Research Collaboration in the Citizen Science Projects
PechaKucha	Carol Hollier	Creating a web-based quiz to support information literacy for food science and nutrition students and the academic librarians who support them
PechaKucha	Elitsa Ivanova Lozanova-Belcheva	Open Education Resources, Information Literacy and Libraries - "the Bermuda Triangle" or "the Treasure Island"?
PechaKucha	Gudrun Marci-Boehncke	XPRTN for futures literacies
PechaKucha	Diana Pietruch-Reizes	Information literacy in the space of intellectual property
PechaKucha	Vesna Golubović	Contemporary Publishing in Information Literacy Context: A Case Study of the University of Osijek

Poster	Kazuyuki Sunaga	A Survey on the Interest of High School Students and Teachers in Information Literacy
Poster	Yucong Lao	Investigating young Finns' information literacy regarding AI-generated synthetic media
Poster	Dora Sales, Serap Kurbanoglu	BRIDGE project: Information and digital literacy at primary school
Poster	Mihaela Banek Zorica	Information Specialists supporting Research, business and innovation in the EU
Poster	Magdalena Wójcik	Library User Experience (LUX) in the context of designing information services - poster proposal
Poster	Deniz Ermişoğlu	Information Literacy (IL) Approaches of Research University Libraries in Türkiye
Poster	Sabina Barbara Cisek	The NIAGARA project – Navigating the digital landscape: universities partnering for change
Poster	Almuth Gastinger	Collaboration is Key: Teaching Research Data Literacy Skills at NTNU
Poster	Hanna Onkovych	Development of students' media literacy through the special course "Professionally Oriented Media Education"
Poster	Lyubov Naydonova	War media trauma during Russia invasion in Ukraine: new challenge for media and informational literacy education
Workshop	Daniel Ireton, Angie Brunk	Disability Advocacy in Libraries: Developing Events for Accessibility
Workshop	Jane Hammons, Amanda L. Folk, Katie Blocksidge, Hanna Primeau	Helping instructors to decode information literacy: A workshop
Workshop	Hanna Primeau, Katie Blocksidge, Amanda L. Folk, Jane Hammons	Teaching Instructors to Develop Transparent and Equitable Assignments: A Workshop
Workshop	Clarence Maybee, Michael Flierl	Creating Informed Learners in the Classroom Workshop
Workshop	Päivi Hannele Ylitalo-Kallio, Saara Vielma	Learning Library and Information Skills with Games
Workshop	Stephane Goldstein, Jane Secker	Building a national alliance for media and information literacy
Workshop	Lori Townsend, Glenn Koelling, Adrienne Warner	Question Asking Is an Art: Teaching Students How to Ask Good Questions
Workshop	Heather F. Adair, Ashley B. Crane	Building the Habit: How Information Literacy in Everyday Life Connects to Lifelong Learning
Workshop	Kiersten Leigh Cox, Scholz James	Editing Wikipedia: An Effective Tool to Teach Information Literacy Skills Workshop
